EMPLOYER EXTRANET APPLICATION SECURITY AGREEMENT
Wis. Stats. § 40.07 (1)

I. <u>Employee</u>: Read the provision set forth below and complete your name, home address, Social Security Number, home phone number, signature and date below. If you are a state Central Payroll agency employee with a Department of Administration (DOA) Mainframe Logon ID (i.e., ETF222), or have a unique Logon ID to access secure State of Wisconsin internet applications (e.g., Z999999), enter your ID number in the DOA Mainframe Logon ID space provided below.

> I understand that Security measures have been established to provide necessary inquiry and update abilities for the Wisconsin Retirement System (WRS). I agree to maintain the confidentiality of all information that I obtain through on-line access to WRS accounts. I understand that information in these accounts is not a public record and disclosure to any person or organization is absolutely prohibited.

> I further understand that the Employer Extranet Application(s) is intended for use by employers to administer WRS and other Department of Employee Trust Funds (DETF) administered benefit programs and is not intended to provide information to members or to assist members in making retirement decisions. I also understand that the *Employer Extranet Previous Service and Benefit Inquiry Application* is not intended to provide complete information to make important decisions regarding a member's WRS benefits.

I have read the provision set forth above. I understand that Wisconsin Statutes, § 943.70 provide criminal penalties for offenses against computer data and programs. Violation of this provision will result in termination of my on-line access to WRS active member accounts and/or termination of my Employer's on-line access to WRS active member accounts.
